Refining the tools and expanding the ways to access (including web and chat), standardizing approach and outcome tracking and looking toward the future.	
2:45-4:00	Closing Plenary - Call to Action - Where do we go from here?	Jason Helgerson	- Andrew Natsios – Telebridge - Dr. Torregrosa - President of Multisectoral Council of Puerto Rico Health System - Dr. Sarah Huertas, Psychiatrist Multisectoral Council of Puerto Rico Health System	Discussion of learning points from Plenary and Break Out sessions.	
4:00-5:00	Networking				

- Consider congregating learning points from the sessions into concrete funding proposal similar to “First Thousand Days” initiative
- We should maintain attention to what comes up as natural point of interest/opportunity – various age groups, suicide prevention etc. etc.
- Thursday recap session – need to reserve the time/room
- Foundations to reach out
- Break out session assignment formulas – Kathryn will review categories
